

World Congress on
Nursing Education, Practice and Healthcare

NURSING PRACTICE 2027

April 05 & 06, 2027 (In-Person)
@ SANA Malhoa Hotel, Lisbon

April 07, 2027 (Virtual Via Zoom Platform)

Invitation

Dear Attendees,

Annual forums, LLC. is proud to announce the World Congress on Nursing Education, Practice and Healthcare, to be held on April 05 & 06, 2027 in Lisbon, Nursing practice 2027 cordially invites individuals from across the world to participate in a prominent conference centered on the theme of “Nursing Education and Practice for a Healthier World” The aim of Nursing practice 2027 is to foster knowledge affirmation and the exchange of new ideas among esteemed professionals such as doctors, professors, academicians, scientists, and students working in the fields of Nursing, and Healthcare.

This event serves as a platform for attendees to share their research experiences, engage in insightful discussions, and attend sessions on various nursing and healthcare topics. Additionally, the conference offers companies and institutions the opportunity to display their services, products, innovations, and research findings. If your company or organization is interested in participating, please indicate your interest. We have curated a program that caters to your interests, providing ample networking opportunities with global colleagues, along with targeted sessions featuring cutting-edge presentations, panel discussions, and interactive sessions with speakers from diverse backgrounds.

This exciting and informative conference encompasses keynote lectures, oral sessions, symposia, workshops, poster presentations, and various programs designed for participants from around the globe.

Join us at Nursing practice 2027 to exchange knowledge with your peers, stay updated on the latest innovations, and enhance your career prospects. We eagerly anticipate your presence in Lisbon 2027.

Best Regards,
Nursing practice 2027
Annual forums

About the Event

Nursing practice 2027 offers a tremendous opportunity to meet and make new contacts in the field of Nursing and Women's Healthcare, by providing collaboration spaces and break-out rooms with tea and lunch for participants between sessions with invaluable networking time for you. It allows participants and delegates to have issues addressed in Nursing and Women's Healthcare, by recognized global experts who are up to date with the latest developments in the field and provide information on Nursing and Women's Healthcare. Nursing Practice 2027 is an International conference that will feature world-renowned keynote speakers, plenary speeches, a young research forum, poster presentations, workshops, and career guidance sessions.

Nursing practice 2027 creates an international forum for Doctors, Professors, Academics, Researchers, Scientists, Health professionals, and medical professionals from all over the world to discuss the latest issues. The Conference will have an area for firms and/or establishments to gift their services, products, innovations, and analysis results. If your company/organization is inquisitive about taking part in this event, then come and be part of this.

Hope you will take this opportunity to join us and visit the city of Lisbon, Portugal.

- Up-to-date research, current and emerging Nursing & Women's Healthcare new changes that will be exclusively discussed at the conference. Do not let old and outdated information hold you back!
- Discover how other research can play a key accelerator role in your work and give you a competitive edge in achieving precision in desired results. Discover better ways to innovate, collaborate, work, and report.
- Get inspired by talking face-to-face with thought leaders, subject matter experts, and peers. Tap into their knowledge; discover innovative services that can benefit your research work.
- With participants representing many countries, your ability to engage with global sustainability leaders and your opportunity to see your work from a global perspective will be worth it.
- Each presenter will have some time for a Q&A session after their presentation, where you might receive questions about a challenge in your workflow or are looking for advice on implementing new techniques in your work. Hence, you will get some solutions and tips, which might be helpful for you.
- An idea is usually generated intentionally and created unintentionally. Ideas are often formed during brainstorming sessions or discussions.
- Bring your expertise to the local level and help the community through collaboration and networking. If you would like to speak at the conference, please submit your content ideas and boost your professional status.

About Lisbon

Lisbon, the capital of Portugal, is a vibrant city where historic charm meets contemporary energy. Situated along the banks of the Tagus River near the Atlantic Ocean, Lisbon is renowned for its colorful neighborhoods, rich maritime heritage, stunning architecture, and warm Mediterranean lifestyle. Often referred to as the “City of Seven Hills,” it offers breathtaking viewpoints, historic landmarks, and a unique cultural atmosphere.

With a history spanning more than two thousand years, Lisbon is one of the oldest cities in Western Europe. It played a central role during the Age of Discovery, when Portuguese explorers set sail to chart new trade routes and expand global connections. Today, Lisbon stands as an important center for culture, tourism, innovation, and international business, successfully combining its historical legacy with modern development.

Located on Portugal’s western coast, Lisbon covers approximately 100 square kilometers and is surrounded by picturesque beaches, rolling hills, and scenic riverfront landscapes. The city enjoys a Mediterranean climate characterized by hot, dry summers and mild, rainy winters, making it an attractive destination throughout the year.

Lisbon is widely recognized for its excellent quality of life, welcoming atmosphere, efficient public transportation system, and growing technology sector. The city has become a leading destination for entrepreneurs, digital nomads, and international conferences, while maintaining its distinctive Portuguese identity.

Lisbon’s cultural landscape is a captivating blend of tradition and innovation. From historic castles and centuries-old monasteries to modern museums and vibrant nightlife districts, the city offers experiences for every visitor. Its famous Fado music, delicious seafood dishes, traditional pastries such as Pastel de Nata, and charming cafés further contribute to its global appeal.

Interesting Facts about Lisbon

Lisbon is one of the oldest capitals in Europe, predating cities such as London and Paris by centuries. The city is built across seven hills, providing numerous panoramic viewpoints known as “miradouros.” Lisbon is home to the iconic yellow trams that have become a symbol of the city. The historic areas of Belém and the nearby monuments are recognized as UNESCO World Heritage Sites. Lisbon hosts numerous cultural festivals and international events each year, attracting visitors from around the world.

City Attractions

- **Belém Tower**

A UNESCO-listed fortress and one of Lisbon's most famous landmarks, symbolizing Portugal's Age of Discovery.

- **Jerónimos Monastery**

A magnificent masterpiece of Manueline architecture and a UNESCO World Heritage Site rich in Portuguese history.

- **São Jorge Castle**

A medieval hilltop fortress offering spectacular views of Lisbon and the Tagus River.

- **Praça do Comércio**

One of Europe's grandest squares, located along the waterfront and surrounded by elegant architecture.

- **Santa Justa Lift**

An iconic neo-Gothic elevator connecting different parts of the city while providing panoramic views.

- **Oceanário de Lisboa**

One of the largest indoor aquariums in Europe, showcasing diverse marine life from around the globe.

- **Alfama**

Lisbon's oldest neighborhood, known for its narrow streets, traditional Fado music, and historic charm.

- **Vasco da Gama Bridge**

One of the longest bridges in Europe, offering impressive engineering and scenic river views.

- **Calouste Gulbenkian Museum**

A renowned museum featuring an exceptional collection of European, Asian, and Middle Eastern art.

Why to Sponsor?

ASponsorship powerfully influences audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions.

Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

Exhibitions allow you to advance all your marketing goals:

- Longterm building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

About Annual Forums.

Annual forums are initiated for conducting online and Physical events globally. Annual forums is involved in planning, Organizing, and executing scientific events across the globe with people from different scientific backgrounds coming together and participating in these events. Our attendees include academicians, professors, students, and Industrialists whom they come together to join and share their knowledge. Our organization believes in imparting holistic and sustainable development with the mission to ignite young Turks and prepare them for future challenges.

Our focus is to make available scientific research articles in all areas of education easily accessible by researchers and academicians based on the open-access platform. We believe that the open-access model will create a dynamic space for learning, sharing, and stimulating research all around the world.

We provide the opportunity of free, unrestricted access to excellent research articles to academia, researchers, and interested individuals who seek knowledge and enlightenment. Annual forums. believes that knowledge should be easily accessible without restrictions. It understands the unique challenges faced by researchers in their work toward achieving their personal and professional fulfillment.
